**2. REVIEW OF OPERATIONS**

The total income during the year on standalone basis has increased to 56.74 lakhs in the financial year 2025-26 compared to Rs. 9.73 lakhs in the previous year 2024-25. The Company's turnover has increased by more than 4.8 times on account of favourable business environment. Further, the net loss incurred by the Company has decreased from Rs. 70.10 lakhs in the previous year to Rs. 6.28 lakhs during the financial year 2025-26 due to better operations.

**3. OUTLOOK & PROSPECTS**

As per the Provisional Estimates (PE) of Gross Domestic Product (GDP), the Indian economy continued to demonstrate strong resilience during FY 2025-26 despite persistent global geopolitical uncertainties, volatile commodity prices and evolving international trade dynamics. Real GDP (at constant 2022-23 prices) is estimated to attain a level of ₹323.12 lakh crore during FY 2025-26 as compared to the First Revised Estimates of ₹299.89 lakh crore in FY 2024-25, registering a robust growth of 7.7%. Nominal GDP (at current prices) is estimated at ₹346.36 lakh crore against ₹318.07 lakh crore in the previous year, reflecting a growth of 8.9%.

However, World Economic Outlook (April 2026) released by the International Monetary Fund (IMF) highlights a fragile global economic environment shaped by geopolitical conflicts, elevated energy prices and persistent uncertainty in global trade. The IMF expects world growth to moderate to around 3.1% in 2026 before improving slightly in 2027, while inflation is projected to remain above central bank targets in many economies for the near term. Emerging markets and developing nations are likely to face greater pressure due to higher borrowing costs, weaker external demand, and rising import expenses.

The report also cautions that global risks continue to outweigh positive prospects. Escalating geopolitical tensions, increasing public debt and financial market volatility could further weaken economic activity worldwide. Although higher government spending, especially on defense and infrastructure, may support short-term growth, yet it could also escalate fiscal stress and inflationary pressures. At the same time, the IMF notes that technological advancements such as artificial intelligence and stronger international cooperation could help improve productivity and support medium-term economic recovery.

As per Economic Survey 2025-26, the outlook for India's financial services industry remains strong, growth-oriented, and digitally driven, even as the sector faces risks from global volatility, capital flows, cyber risks and AI-led disruption. The Company expects a favourable economic environment in the current financial year.

**4. SHARE CAPITAL**

There was no change in the authorised and paid-up share capital of the Company during the year under review. The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

Libord Securities Limited ("the Company") is a Limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 104, M.K. Bhavan, 300, Shahid Bhagat Singh Road, Fort, Mumbai- 400001. The Company is engaged in the business of Financial Services.

**OPPORTUNITIES AND THREATS**

The Economic Survey for the year 2025-26 highlights that India's services sector has performed strongly in comparison to global developments, despite heightened uncertainty and shifts in geopolitical alignments across countries, gaining momentum in growth with its share in GDP rising to 53.6 per cent in the first half of the year 2025-26 achieving a growth in services GVA by 9.3 per cent as compared to 7.0 per cent in the corresponding period of the year 2024-25.

India's financial services industry has continued to show resilience and strong growth momentum on the back of robust economic fundamentals, rising digital adoption, increasing financial inclusion and improved asset quality. Overall, the Indian financial services industry has immensely benefitted from Indian economy's consistent high growth rates, supported by innovation, expanding formal credit penetration, and a digitally empowered customer base.

According to the Provisional Estimates (PE) of Gross Domestic Product (GDP) released by the National Statistical Office (NSO), the real GDP (at constant 2022-23 prices) is estimated to attain a level of ₹323.12 lakh crore during FY 2025-26 as compared to the First Revised Estimates of ₹299.89 lakh crore in FY 2024-25, registering a robust growth of 7.7%. Nominal GDP (at current prices) is estimated at ₹346.36 lakh crore against ₹318.07 lakh crore in the previous year, reflecting a growth of 8.9%.

Thus, the Indian economy remained resilient in the year 2025-26 amid severe global turmoil. Even as the net external demand remained soft, private consumption and fixed investment contributed significantly to overall growth. On the supply side, estimated real GVA growth of 7.9 per cent indicated buoyant services sector and robust manufacturing activity.

However, the International Monetary Fund's World Economic Outlook April 2026 warns that the global economy is facing a fresh slowdown due to the war in the Middle East, rising energy prices, and growing geopolitical tensions. The IMF projects global growth at 3.1% in 2026 and 3.2% in 2027, lower than previous expectations, while inflation is expected to rise temporarily before easing again in 2027. Emerging and developing economies are expected to suffer the most because of higher import costs, tighter financial conditions, and weaker trade activity.

The report emphasizes that risks remain heavily tilted to the downside due to the possibility of a prolonged conflict, renewed trade disputes, rising public debt, and financial market instability which could further weaken growth. The IMF also highlights how increased defense spending may provide short-term economic support but can worsen inflation, fiscal deficits, and debt burdens over time.

Yet, at the same time, the report notes some positive possibilities, such as faster productivity gains from artificial intelligence and reduced geopolitical tensions, which could improve the outlook. Overall, the IMF calls for credible economic policies, international cooperation, and stronger institutional resilience to manage the uncertain global environment.

## Report on the Audit of the Standalone Financial Statements

**Opinion**

We have audited the accompanying Standalone Ind AS financial statements of **Libord Securities Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provision of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters in our audit of the Company for the year ended March 31, 2026.

**Fair Value of Investment**

The Company's investments (other than investment in Group Companies) are measured at fair value at each reporting date.

**Auditor's Response**

We have assessed the Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and the fair valuation thereof.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report (including annexures), but does not include the standalone financial statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our Report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Annexure B referred to in paragraph 2 (f) of the section on "Report on Other Legal and Regulatory Requirements" of our Report of even date**

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013

**To**  
**The Members of Libord Securities Limited**

We have audited the internal financial controls over financial reporting of Libord Securities Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

**1 CORPORATE INFORMATION:**

Libord Securities Limited ("the Company") is a limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 104, M.K. Bhavan, 300, Shahid Bhagat Singh Road, Fort, Mumbai- 400001.

The Company is engaged in the business of Financial Services. The financial statements of the Company for the year ended March 31, 2026 were approved and adopted by Board of Directors in their meeting held on May 25, 2026.

**2 BASIS OF PREPARATION AND PRESENTATION:****2.1 Basis of Preparation:**

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and applicable provisions read with Section 133 of the Companies Act, 2013 (the "Act").

The Financial Statements have been prepared on going concern basis and on an accrual method of accounting using historical cost convention except for certain financial assets and liabilities, which are measured at fair value/amortised cost at the end of each reporting period as explained in accounting policies below.

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The financial statements are presented in Indian Rupees in hundreds rounded off to two decimal places as permitted by Schedule III of the Act which is the Company's functional and presentation currency, except when otherwise indicated.

**2.2 Significant Accounting Judgements, Estimates and Assumptions:**

The preparation of the Financial Statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.

Accounting estimates could change from period to period. The estimates and judgements used are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Revision to accounting estimates are recognised prospectively. The management believes that the estimates used in the preparation of Financial Statements are prudent and reasonable.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of: fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities.

**3 SIGNIFICANT ACCOUNTING POLICIES:****3.1 Property, Plant and Equipment:**

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use. Depreciation on property, plant and equipment is provided using straight line method over the useful life of assets as specified in Schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added / disposed of during the year, is provided on pro-rata basis with reference to the date of addition / deletion. The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

**3.2 Cash and Cash Equivalents:**

Cash and cash equivalent in the Balance Sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

**3.3 Impairment of Assets:**

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the Statement of Profit and Loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

**3.4 Financial Assets – Initial Recognition, Subsequent Measurement and Impairment:**

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value through Profit or Loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

**Financial Assets - Subsequent Measurement:** For the purpose of subsequent measurement, financial assets are classified in two broad categories: -

- a) Financial assets at fair value
- b) Financial assets at amortised cost

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Where assets are measured at fair value, gains and losses are either recognised entirely in the Statement of Profit and Loss (i.e. Fair Value through Profit or Loss), or recognised in Other Comprehensive Income (i.e. Fair Value through Other Comprehensive Income).

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at Fair Value through Profit or Loss under the fair value option:

- a) Business Model Test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow.
- b) Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at Fair Value through Profit or Loss.

### **Fair Value through Other Comprehensive Income (FVOCI):**

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where they are irrevocably designated as equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in Other Comprehensive Income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends from these equity investments are recognised in the Statement of Profit and Loss when the right to receive the payment has been established.

### **Financial Liabilities and Equity Instruments:**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

### **Equity Instruments:**

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

### **Other Financial Liabilities:**

These are measured at amortised cost using effective interest rate.

### **Derecognition of Financial Assets and Financial Liabilities:**

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or it expires.

### **Impairment of Financial Assets:**

The Company recognises a loss allowance for expected credit losses on a financial asset that is at amortised cost or Fair Value through OCI. Loss allowance in respect of financial assets is measured based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

### **Reclassification of Financial Assets:**

The Company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets. The Company does not re-classify its financial liabilities.

## **3.5 Provisions, Contingent Liabilities, Contingent Assets and Commitments:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each Balance Sheet date and are adjusted to reflect the current best estimate. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

## **3.6 Revenue Recognition and Other Income:**

All expenses and income to the extent payable or receivable respectively are accounted for on accrual basis.

## **3.7 Employee Benefits:**

**Defined Benefit Plans:** The present value of the obligation under such plan, is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Profit & Loss Account. In case of funded defined benefit plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognise the obligation on net basis.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

**3.8 Taxes on Income:**

Income tax expense represents the sum of Current tax and Deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other Comprehensive Income, in such cases the tax is also recognised directly in Equity or in Other Comprehensive Income. Any subsequent change in direct tax on items initially recognised in Equity or Other Comprehensive Income is also recognised in Equity or Other Comprehensive Income.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and Current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. The carrying amount of Deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

**3.9 Earnings Per Share:**

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity and potential equity shares outstanding during the year. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

**3.10 Current and Non-Current Classification:**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA. An asset is classified as current when it is: a) Expected to be realised or intended to be sold or consumed in a normal operating cycle, b) Held primarily for the purpose of trading, c) Expected to be realised within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when it is: a) Expected to be settled in a normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities, if any, are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

**3.11 Fair Value Measurement:**

The Company measures financial instruments at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.

**3.12 Off-Setting Financial Instrument:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

**3.13 Segment Reporting:**

The Company is engaged primarily in the business of financial services and accordingly, there are no separate reportable segments dealing with Segment Reporting. The Company's business is not subject to seasonal variation.

## 29.2 Fair Valuation Techniques used to determine Fair Value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of trade receivables, cash and cash equivalents, other bank balances, trade payables, loans, borrowings, deposits and other financial assets and liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.
- The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- Fair values of quoted financial instruments are derived from quoted market prices in active markets.

## 29.3 Fair Value Hierarchy

The Company uses following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

- Level 1:- Quoted prices in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the Balance Sheet date.
- Level 2:- Inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Group specific estimates. If all significant inputs required to fair value an instrument are observable then the instrument is included in Level 2.
- Level 3:- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

The following table provides hierarchy of the fair value measurement of the Company's asset and liabilities, grouped into Level 1 (Quoted prices in active markets), Level 2 (Significant observable inputs) and Level 3 (Significant unobservable inputs) as described below:

| Particulars                                                                           | As at March 31, 2026 |         |         |
